

Over the summer months, Hill Partnerships Ltd — our appointed contractor for the Thames View House redevelopment — will be carrying out ground investigation surveys using specialist equipment and installing hoarding in preparation for construction.

The work will take place in the Thames View House car park and its surrounding areas, which will involve some noisy works over several days.

We are aware of how inconvenient these works can be and have tried to keep the disruption to a minimum.

We appreciate your patience while we carry out these works.

Should you have any concerns or questions, please don't hesitate to contact us on **0300 123 2221** (option 4) or by emailing **NewHomes@pahousing.co.uk**.

Our opening hours are 9am until 5pm, Monday to Friday.
