

## WEEKLY UPDATE WITH PHOTOS For week commencing 9 January 2023

- The demolition of the existing Thamesview House building has continued this week, with the remainder of the ground floor structure & foundations next being to be removed.
- Next week we aim to complete demolition works down to ground level.
- The section of Felix Road in front of the Scouts Hut has been reopened as far as practicable during the demolition & clearing of waste.
- On the morning of Tuesday, 10 January 2023, we will be removing from site the high reach excavator machine. **This road movement will take place outside of our normal working hours, in line with the road closure police order issued by the police.**
- **The police movement order was not fully in place before the Christmas shutdown. Therefore the large high-reach excavator machine will now be moved off-site on the early morning of Tuesday, 10 January**
- We will continue processing the demolished material on-site.
- A dust monitoring system is being used on a daily basis to ensure that the dust created is below the allowable amount.
- We will continue monitoring noise daily to ensure this is within permissible levels.
- We will continue emphasising the need to adhere to the transport management plan with all involved, and we apologise in advance to those who do not always adhere to our requirements as per the Transport Management Plan.
- We will continue to clean the surrounding areas regularly to ensure minimal impact on our neighbours. Should it be deemed too windy, the demolition works will be halted.
