- The reduced level dig is complete, new formation level created and the installation of the drainage along with retaining walls is now 95% complete. The final section will be completed early next week with the tarmac due to be 50% on Friday the 30th of June
- The site offices are operational, and the first resident drop in section was held in the meeting room on Wednesday the 14th of June
- We will continue emphasising the need to adhere to the traffic management plan. We now have an agreement to change the traffic management plan meaning the vehicles will, as of Monday, the 3rd of April, access the site by Russell Road and exit the site via Sunbury Road. All sub-contractors have been sent the new plan and the gate man also has a copy displayed at the site entrance
- As of Monday the 26th of June, there will be a new traffic marshal/gateman and he will continue monitor and enforce the traffic management plan
