

WEEKLY UPDATE WITH PHOTOS

For week commencing 18th December 2023

- The scaffolding to the seventh floor has now been completed and progressing to the eighth floor. Sixth and seventh floors loading bay are now complete and they are currently carrying out adaptations for the lower levels.
- Scaffolders are also now working with the bricklayers as they progress up the building.
- Steel frame to the external walls has been completed to the seventh and eighth floors and are now boarded.
- Ground to seventh floor party walls are now complete with the eighth floor in progress.
- Screeding from first to sixth floor is now complete with the seventh floor in progress.
- Screed preparation is now taking place to the ground floor.
- Ventilation flat ducting to all levels is now complete.
- We will continue the heating and water distribution pipework installation and have completed the first and second floor first fix.
- The external insulation is now progressing to the fourth floor.
- There was an issue with the crane alarm being activated over the last weekend, please accept our sincere apologies for the inconvenience this must have caused you all. The Senior Site Manager attended the site on the Sunday (10th December) morning as soon as they were made aware of the situation and disabled the alarm and then had the crane company attend site on Monday (11th December) morning to disconnect the sounder which means now even if the alarm is activated the sounder will not be activated.
